To Whom It May Concern,

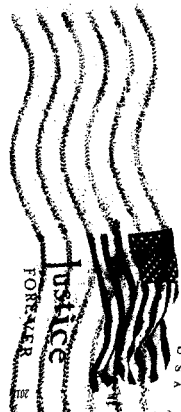

I am writing this letter in regards to case number 1:15-CV-2677. As a sterling currency customer and years of owning dinar, I am requesting a refund of the money I invested and sent to sterling. Due to the government's unlawful actions and inaccurate accusations, I and many others have lost our hard earned money. The government has taken over this company and stole our money; and I am only requesting my money back. I can show proof of what I had sent to sterling. I have invested over \$4,000 into this dinar investment. I have worked hard for this money and I do believe it is only fair to receive my hard earned money back. I chose to invest in dinar because I do believe in this currency to increase and make their money more valuable. With any investment there is risks involved, however, I do not believe it is right for the government to steal the customers' money. It is only right to return every penny sent to each individual customer. Thank you for your consideration and I do hope and pray that this case will be solved the right way. *-LMM*

Sincerely,

Mary Drummond
